Common Questions**What is a temporary event?**

A temporary event is an occasion, activity, or function at which merchandise is sold or traded or taxable services are provided. An event can be on one or consecutive days. It may reoccur on a weekly, monthly, quarterly, or annual basis.

How are recurring events reported?

Multiple events in a calendar month may be reported as one event. In this case, the event start is the first and the event end is the last day of the month.

Who is a temporary event operator?

The organizer or planner of an event is the event operator.

What must a temporary event operator report?

Temporary event operators must complete and submit Form S-240 with information about each event vendor to the Department of Revenue (DOR) within **10 business days** after the close of the event.

Note: Operators may be assessed a \$200 penalty for the first offense and \$500 for subsequent missing, late, or incomplete reports.

What are temporary event vendor requirements?

Temporary event vendors must have a Wisconsin seller's permit unless their sales are exempt from sales and use tax.
